Re: FOIA Request NLRB-2023-000457 (Supplemental Response)

Dear Glenn Grant (Crowell & Moring):

This is a supplemental response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on December 8, 2022, in which you sought “documents supporting or relating to any decisions or proceedings involving RC, RD, RM, UC, AC and/or UD petitions during the period of 1950 to 2016 pertaining to the facility or facilities operated in Hopewell, Virginia and owned and operated by the Allied Chemical & Dye Corporation and its successor companies, namely, Allied Chemical Corporation (1958), Allied Corporation (1981), Allied Signal Inc. (1995), and Honeywell International Inc (1996).”

Subsequent to the FOIA Officer’s January 18, 2023, letter to you, personnel from the Agency’s Region 5 office located a record that was identified as responsive to your FOIA request. The Certification of Representative from Allied Chemical Corporation, Case No. 5-RC-3378 (one page), as well as two pages from a related document filed together with that page, is attached. This record is the best available copy, but please note that storage conditions and age have impacted its legibility. Beyond this, staff in Region 5 did not locate any other responsive records.

In light of the above, your FOIA request has been re-designated as a full grant. Three pages of responsive records are attached. No information has been withheld.

No additional charges have been assessed to this processing.

You may contact Patrick Plummer, the Attorney-Advisor who processed your request, at 202-273-2999 or by email at patrick.plummer@nllrb.gov, as well as the Agency’s FOIA Public Liaison, for any further assistance and/or to discuss any aspect of your request. The FOIA Public Liaison, in addition to the Attorney-Advisor, can further explain responsive and releasable agency records, suggest agency offices that may have responsive records, and/or discuss how to narrow the scope of a request in order to minimize fees and processing times. The contact information for the Agency’s FOIA Public Liaison is:
